The Nathan L. Anderson Memorial Scholarship Foundation, Inc. completed the Calendar Year 2013 Scholarship Awards Cycles after providing scholarship assistance to nine (9) Oakwood University (OU) students.

For the Spring-2013 and Fall-2013 Semesters, funding assistance was provided to five students pursuing a Bachelor of Science in Nursing: Veeron Fleming, Stephanie Harris, Anisa Ogboenyiya, Antonia Primus, and Adrian Rolle. Assistance was also given to four students pursuing a Bachelor of Science in Music: Justin Brown, Eleejah Kitchell-Bush, Alain Gervais, and Devin Morrison.

Grants awarded

During 2013, a \$5,000 grant was provided to the Takoma Academy in Takoma Park, MD. The grant was awarded to bolster the Science, Technology, Engineering, Math (STEM) program and to help its student body develop an interest in STEM-related occupations.

The Foundation awarded this \$5,000 grant to also position the school to pursue matching grants from other organizations for the purpose of expanding the STEM program. Further funding is contingent upon acquiring those matching grants.
