

NATHAN L. ANDERSON MEMORIAL SCHOLARSHIP FOUNDATION, INC.

ANNUAL REPORT for CALENDAR YEAR 2023

PURPOSE

The Nathan L. Anderson Memorial Scholarship Foundation was established to honor the life of the late Nathan L. Anderson. In his honor, the foundation provides scholarships to assist minority students pursuing college degrees in areas that were of importance to him.

The purpose of this 501 (c)(3) tax -exempt Private Operating Foundation is to provide scholarship assistance and mentoring career guidance to minority undergraduate college students who pursue training that leads to a Bachelor-level degree in one of these four disciplines:

- 1) Computer Science;
- 2) Aviation;
- 3) Nursing;
- 4) Music.

FOCUS

- The Foundation focuses on supporting those four disciplines because the life and interests of Lieutenant (LT) Nathan L. Anderson, USPHS encompassed all of those areas.
- By professional training, he was a Computer Scientist; he was a licensed Private Pilot; and he was a formally-trained, highly-gifted musician, as are both of his sisters, Nicole and Nichelle.
- His mother and his youngest sister, Nichelle, are both Registered Nurses, and that was an area that he truly supported.
- The Foundation has also provided grants to selected educational institutions that were attended by, and helped influence, Nathan and his two sisters, Nicole and Nichelle.

The four disciplines supported by this Foundation reflect its commitment to assist in developing fully-qualified professionals who will provide critical services and amenities that ensure our quality of life.

As was his aspiration, the Foundation's focus is on assisting others to travel similar paths that benefit society.
